- a/ For this report, spring chinook are assumed to be those fish that were captured before September 1, 1986. Catch rates are adjusted to compensate for a shortened sampling week.
- b/ For this report, fall chinook are assumed to be those fish that were captured on or after September 1, 1986. Catch rates are adjusted to compensate for a shortened sampling week.

TABLE 7 (continued). Numbers of Fall-run Chinook Salmon, Coho Salmon, Chum Salmon, and Steelhead Caught by Week During Trapping Operations in the Lower South Fork Trinity River Near Sandy Bar, September 17 through November 17, 1985.

| Week<br>end | No. of<br>nights<br>fished | Steelhead              |                |        |                |        |                |
|-------------|----------------------------|------------------------|----------------|--------|----------------|--------|----------------|
|             |                            | Half-pounder<br>≤42 cm |                | Adults |                | Total  |                |
|             |                            | Number                 | Catch/<br>nigt | Number | Catch/<br>nigt | Number | Catch/<br>nigt |
